...then you have checked all the items in the list for an opportunity to help your student apply for one of the scholarships available this year for Rotolo Middle Schoolers!

Don't delay! Go on line now to: [www.bataviawomansclub.org/scholarship](http://www.bataviawomansclub.org/scholarship)  
Print the application and have your student fill it out.

Applications will be accepted up to April 12th and are to be dropped off at the Rotolo main office with a "Student Recommendation Form" from one of their teachers. Scholarship recipients will be notified by Wednesday, April 24th. And it doesn't stop there! All "scholars" will be invited to a BWC member meeting in October, along with their parents, to present a summary of their camp experience and share/demonstrate what they learned. This is a great opportunity for your child to spread their wings and learn some new skills!

The Batavia Woman's Club is so pleased to have helped Batavia students like yours get to summer educational enrichment summer camps for almost 50 years! Apply now!
