

Announcing the Batavia Woman's Club Scholarship Opportunities

Dear Rotolo Middle School Teachers,

The Batavia Woman's Club looks forward to helping your middle school students attend educational enrichment summer programs and camps. Please help us find students who can most benefit from this opportunity.

Here's what you need to know:

1. Scholarships are available for any type of summer programs/camps under the STEAM umbrella.
2. Applications can be found online at www.bataviawomansclub.org/scholarship and must be filled out by the student and authorized by a parent/guardian. There are also copies of applications at the main office.
3. Applications will be available and accepted from now through Friday, April 12, 2024. Completed applications should be submitted to the Rotolo Main Office.
4. Scholarship recipients will be notified by Wednesday, April 24, 2024.
5. Scholarship recipients get the wonderful opportunity to prepare and present their camp experience to the members and their parents at a BWC meeting in October.

Here's what you need to do to help your student:

1. Encourage your student to take advantage of this opportunity.
2. Fill out the brief "Student Recommendation Form". Your student will request this of you. Your input is confidential and very helpful to us. Your main office has these forms and you must attach it to your student's application. You are responsible for submitting your student's entire application to the main office by April 12.

We are pleased and proud to say that through your help and the help of the teachers before you, we have been enriching the lives of our Batavia middle schoolers. For nearly 50 years, the Batavia Woman's Club has been awarding scholarships to support these student's educational enrichment summer camp experiences.

Thank you for your continued support of this wonderful program in our community.

Sincerely,

Jane Doty, Scholarship Chairperson
The Batavia Woman's Club
